

SciSoc First Year Camp 2017

Activities

Challenge Valley

Challenge Valley is an obstacle course with many different elements ranging from rope climbing to mud pits along a 1.5km track. Because there will be obstacles involving mud and water we recommend you wear old clothes as they will get very dirty. SciSoc will be providing **some** spare T-Shirts to campers if you require one.

ENCLOSED FOOTWEAR IS MANDATORY for this activity.

SciSoc Party

On Saturday night SciSoc will host its annual First Year Camp Party. This year's costume theme is Hippies vs Hipsters, so choose a side and get creative!

What to Bring

- Sleeping Bag (Bunks will be provided however linen will not)
- Pillow/Blankets if required
- **Water bottle**
- Toiletries
- Towel
- Sunscreen
- Insect Repellent
- Valid ID (If you wish to consume alcohol – **these will be checked**)
- **Reusable plate, bowl, cup and cutlery**
- Clothes - 3 days & 2 nights
 - **Enclosed footwear and old clothes for Challenge Valley**
 - Costume for Saturday night

Please note we will have a couple of spare supplies eg. cutlery but ultimately it is your responsibility to bring all items and we won't give many out. **If you want to drink on Saturday night, you must bring your own cup!** This will be very good training for university life where independence is key!

What NOT to Bring

- Alcohol (all alcohol will be supplied by us and will be in very sufficient quantities)
- Drugs
- Weapons
- Any other illicit materials

If you're running late to camp please contact Sarah on 0431 430 474 or Jennifer on 0470 450 004 and let us know, otherwise we **will** leave without you!
